

Several Academy Days Co-op students cheer over the 205 canned goods they recently donated to Millbrook's Welcome Inc., a food bank which serves West Elmore County families in need.

The homeschoolers represent 50 families in the tri-county area who participate in the homeschool co-op held at Coosada Baptist Church during the school year.

Academy Days Co-op offers preschool through high school classes in subjects such as science labs, photography, criminology, history, creative writing and P.E. Visit [www.AcademyDays.com](http://www.AcademyDays.com) for more information about the co-op or homeschooling.
