

The 2020-2021 school year is here! If you've missed the September 5th deadline, we do take new enrollments year-round.

NEW ENROLLMENTS

You want peace of mind when you start to homeschool, and that's what Outlook Academy can give you as your family embarks on this new, exciting and very different journey. To enroll for the first time, go to [New Enrollment](#) to complete the necessary forms. If you have any questions, please click on [Frequent Questions](#) on the main menu -- literally every question we've ever been asked is answered in detail there.

RE-ENROLLMENTS

If your children are already enrolled in Outlook Academy, select ALL the options below that apply to your family and follow the directions to re-enroll for the 2020-2021 school year:

- **Re-enrollment:** Complete the two-page [Admission Form](#), sign the Church School/Teacher Agreement on page 2, and mail to Outlook Academy with your check or money order by **September 5 (\$95)**. Please write your child's name on the check or money order. Upon receipt, we will send you verification via email.

NOTE: After September 5, you will need to follow the instructions for a [New Enrollment](#) even if you're re-enrolling.

- **New Address:** If you have moved since May 2019, an updated Church School Enrollment Form for each child is required by the Board of Education, so please [go here](#) to download a Church School Enrollment Form. Make as many copies as you need to ensure one form per student and mail the completed form(s) to Outlook Academy along with a completed two-page [Admission Form](#), check or money order, and a self-addressed stamped envelope (SASE).

- **6-Year-Old Child:** A Church School Enrollment Form is required by the Board of Education if you have a child who has just turned or will turn compulsory age (6 years old) this school year. If so, please [go here](#) to download a Church School Enrollment Form. Mail the completed form(s) to Outlook Academy along with a completed two-page [Admission Form](#), check or money order, and a self-addressed stamped envelope (SASE).

- **High School Graduate:** If your child has completed his or her homeschool studies for graduation this year, notify us now via email or letter so we may update our records for the Board of Education. Otherwise, when we report that your child is no longer enrolled, the Board of Education will classify your child as truant.

ATTENTION: For current members, if we have not heard from you by September 5, we will assume you have chosen another school. As required by state law, we will notify the Board of Education that your children are no longer enrolled in Outlook Academy. If you wish to re-enroll after this date (Sept. 5), you will need to follow the instructions for a [New Enrollment](#) .

We look forward to working with you, and we hope the coming year will be one of growth for both you and your family.
